**Merchants Leasing Sponsors Webinar on Alternative Fuel Fleets October 25
“Green Fleet Vehicles – What You Should Know”**

August 29, 2007, Manchester, NH—Companies concerned about greenhouse gases, fuel economy, global climate change and the environment will be interested in learning more about alternative fuel vehicle fleet options in the upcoming web seminar, “Green Fleet Vehicles – What You Should Know.” This “webinar,” sponsored by Merchants Leasing, will take place on Thursday, October 25, from 2:00 p.m. to 2:45 p.m. EST.

Expert panelists, including Gary Scanlon, National Sales Manager for Merchants Leasing, will discuss the benefits and options of incorporating alternative fuel vehicles in fleets for businesses, non-profits and government entities. As part of “Going Green” week, Scanlon will participate in the webinar *live* from the site of the first annual “Going Green Energy and Living Exposition,” being held at the Radisson Hotel, Center of NH, in Manchester. This webinar is part of the Bobit Business Media Web Seminar Series and the second seminar sponsored by Merchants Leasing, a leader in providing total fleet solutions. For more information and to register for the web seminar, go to: www.fleet-central.com/seminar.

Merchants Leasing is a Gold Sponsor of New Hampshire’s first annual “Going Green Energy and Living Exposition,” intended to provide a forum for citizens and companies to learn more about how they can begin to make the transition to sustainable consumerism and create a better future for ourselves and our planet.
